# Assembly Instructions

---

- 1. Lay Table Top upside-down (table bracing facing up) on a flat smooth surface. It is Recommended to cover ground under table top to prevent damage.**
- 2. Attach Frames to table top using provided hardware (1-bolt, 1-nut, and 2-washers per hole). Table frames should sit inside bracing on tabletop. Hand tighten hardware at this time.  
Note: Make sure the Left HDCP frame goes on the Left and Right HDCP frame goes on the right.**
- 3. Attach Cross Braces to tabs in Center of J Frame using hardware provided (1-bolt, 1-nut, and 2-washers per hole). Hand tighten hardware at this time.**
- 4. Flip Top and Frame assembly upright and attach seats to frames using hardware provided (1-bolt, 1-nut, and 2-washers per hole). Hand tighten hardware at this time.**
- 5. Level Tops and Seats and use socket and open face wrench to fully tighten hardware. Place Bolt End Caps on bolt ends.**

## **Installation Safety:**

Please Follow Installation Instructions provided by Manufacturer.

It is recommended that Product is installed by an experienced installer.

Product should be inspected at the time of Delivery, do not install any damaged or defective parts or products.

All Hardware for proper assembly (not installation) is provided. Use hardware that is included with this product.

## **Product Maintenance:**

Maintenance inspection should be performed at a minimum of once a year.

Cleaning, when necessary can be performed with warm water and most house hold clean-ers, avoid any harsh chemicals such as paint remover and acetone. Contact Manufacturer before cleaning to determine if cleaning product is OK for use.

Any surface rust that may occur should be removed and repainted. Contact Manufacturer for touch up paint or any other recommended paints.

Contact Manufacturer for instructions on removing vandalism such as spray paint.

Bolts and nuts should be checked on a regular basis to maintain proper tightness.
